### **Philanthropist, John Works, Underwrites Town Hall Meeting Held on Behalf of Colorado Disability Community**

Enable America 501(c)3 announced today that Arapahoe County philanthropist John Works has underwritten the upcoming Colorado Town Hall meeting being held on June 30<sup>th</sup> at the Holiday Inn Express in Cherry Creek.

Works, in a statement, said "this is the least I can do to help. There are so many needs that are not being met within the disability community. The premise of Enable America is to encourage civic participation from within the community, and I see that as the first step to enacting major change in policy."

Enable America!, Inc. is working in partnership with people with disabilities, elected officials, educators, government agencies and employers to assist people with disabilities in achieving greater independence through opportunities for employment, civic involvement and community participation.

Over 200 citizens from Colorado are anticipated to attend the upcoming Town Hall meeting. Speakers include Mayor-elect Hickenlooper, Governor Bill Owens, state legislators, local leaders and activists from within the disability community.
